**NOVEMBER 30, 2016 • MAY 3, 2017 • May 31, 2017**

The DC Academy, in conjunction with the Virginia Maryland Veterinary Managers Association (VMVMA), is hosting a series of three, 3 1/2 hour seminars geared to practice managers, practice owners, and other practice staff involved with practice management issues. Registrations are non-transferable.

All seminars will be held at the **Elk's Lodge, 8421 Arlington Blvd., Fairfax, VA, and at 4 remote site locations, beginning at 10:00 AM and concluding at 2:30 PM.** The remote site locations are at Valley Veterinary Emergency & Referral Center (VVERC), Winchester, VA; The Life Centre (TLC), Leesburg, VA; Veterinary Orthopedics & Sports Medicine (VOSM), Annapolis Junction, MD; The Hope Center, Rockville, MD. The seminars are live at these sites where you see/hear the same slides/audio as the main seminar. Walk-in registrations are available at the Fairfax site but not at the remote sites. If you plan on attending at a remote site, you must complete a Practice Management Remote Site Registration Form (available in the Remote Site section of the Practice Management page of the website) by the Friday before the Wednesday seminar.
